

Music

Music Project with Scott Stroman

Children should learn:

- ★ To listen and repeat melodies and lyrics (rehearsal skills).
- ★ To sing in harmony.
- ★ To sing together as a choir.
- ★ To learn new songs and rehearse for a Christmas performance.
- ★ To prepare for a public performance, understanding performance presentation techniques e.g. posture.

R.E.

Celebrations-

Children should learn:

- ★ that religions usually involve celebration
- ★ that festivals are occasions for remembering particular events in religions
- ★ that religious festivals reflect cultural differences and beliefs

Geography

An Island Home (Coll)

Children should learn:

- ★ To identify the physical and human features of a place
- ★ How an island is different from the mainland and to understand similarities and differences.
- ★ To design their own island.
- ★ Map skills, including compass references.

Design and Technology

Creating a product for the Isle of Coll.

Children should learn:

- ★ Name and use a range of basic tools safely - small knife, chopping board, measuring spoons, mixing bowl.
- ★ Use a range of food preparation skills with supervision - slicing, chopping, mixing, rubbing-in.
- ★ With help prepare **flapjacks/scones** safely and hygienically

Year 2 Autumn Term

Island Dreams...

Science

All about me ! Children should learn:

- ★ That food can be categorised into different groups.
- ★ That the different food groups help us to build a healthy diet.
- ★ That the mouth (teeth) needs care and attention.
- ★ That the skin needs to be kept clean and cared for to stay healthy.
- ★ Safety with medicines.
- ★ To know that people who are ill take medicines to help them.
- ★ That animals (including humans) produce young that grow into adults.

I.C.T.

Communicating Information Using Text

Children should learn:

- ★ To know the differences between written and processed text.
- ★ To log on to a computer and open applications.
- ★ The importance of spaces between words.
- ★ To use compass references to move an on-screen object.
- ★ To rearrange text for ease of reading.
- ★ To type a piece of work using editing skills.

P.E

Games

- ★ Team games, games involving position and direction.

Ball skills

- ★ Using big balls and small balls.
- ★ Throwing and catching whilst stationary and on the move.
- ★ Working in pairs and small groups.

PSHCE

Getting to know each other

- ★ To learn to work together as a team- co-operation
- ★ To create an agreed set of rules to ensure harmony in the classroom environment.
- ★ To learn about where our food comes from.
